

Evolution of Organismal Systems

Jasmine Nirody
University of Chicago
"Adaptive motility in complex, changing environments"

Matthew Fuxjager
Brown University
"Physiological basis of gestural display evolution"

Natasha Mhatre
Western University
"What sets the communication frequency in arthropod communication?"

Michael Dickinson
Caltech
"Unique sensory-motor specializations underlie the adaptive radiation of flies"

Event Schedule

1pm-2pm
Chen Breezeway
**Student and Postdoc
Poster Session 1**

2pm-5:30pm
Chen 100
Symposium
2-2:45pm Jasmine Nirody
2:45-3:30pm Matthew Fuxjager
3:30-4pm Coffee break
4-4:45pm Natasha Mhatre
4:45-5:30pm Michael Dickinson

5:30pm-6:30pm
Chen Breezeway
**Student and Postdoc
Poster Session 2**
+
Food and Drink Reception
